

Sun, sales, and fun dining! Dubai Summer Surprises, the annual mega retail celebration, gears up for an exciting 24th edition

27 Jun 2021, Dubai, UAE

Another edition of the Dubai Summer Surprises (DSS) is finally here! Back for its 24th year, the annual retail celebration will feature 10 weeks of sensational shopping, food, fun and festivities, super promotions, epic giveaways and fountain shows plus much more with daily activities taking place across the city from 1 July to 4 September.

Over the years, DSS has put Dubai firmly on the global shopping and tourism map. Not only is it widely considered the number one family summer destination for residents and visitors from around the region and beyond, but it also showcases the very best of what Dubai's hospitality, hotel, restaurants, entertainment and retail sectors have to offer. This year's fun packed Calendar of Events was officially announced on 27 June at a prestigious media event held at The View on Palm Jumeirah, the newly opened 52nd floor observation deck that gives a bird's eye view of the city, including many of the great venues participating in DSS.

Organised by Dubai Festivals and Retail Establishment (DFRE), the latest DSS will offer something new, fresh and exciting to residents choosing to spend their summer here in the UAE and overseas visitors. Dubai's world-renowned status as a fun, open, welcoming and safe destination will be on show, with all of the participating venues, stores, malls and landmarks following the important local health and safety procedures, including social distancing and the wearing of masks at all times.

Ahmed Al Khaja, CEO, Dubai Festivals and Retail Establishment (DFRE), said: "The 24th edition of DSS will be 10 weeks of great events, rewarding shopping experiences and unrivalled fun within a safe environment that will firmly establish Dubai's global position as the number one family destination this summer. The summer is a special time of year in Dubai; it is when the city comes alive and comes together to enjoy its famous landmarks, discover its renowned retail opportunities and enjoy once-in-a-lifetime experiences with friends and family. This year, DSS takes on even greater importance as it caters to residents who are opting to enjoy a staycation rather than a vacation abroad. With this in mind, the DSS calendar has been carefully crafted to appeal to people who call the city home while also wowing visitors from around the world.

"With this year shaping up to be extra special for the UAE, as Dubai will be hosting Expo 2020 from October and the nation proudly celebrating its Golden Jubilee on 2 December, DSS kick-starts not only a summer of superb promotions and world class events but will also serve as the launchpad for accelerated growth in Dubai's tourism sector in 2021 and beyond. With so much to show and offer this summer, we are truly delighted to once again welcome the world to Dubai during DSS."

Here DFRE outlines the key activities, deals, sales, events, activations and more taking place across the city during this year's DSS:
